## ANNOUNCEMENT

It is with much pleasure that we present this catalogue to you and we are frank to say that we have herein listed one of the choicest lots of Shorthorn breeding cattle that will be offered in the west this season. In combining to make up this sale, Mr. E. E. Owens contributes his entire herd of Shorthorns which has been noted for years as one of the choicest herds of Cruickshank bred Shorthorns on this side of the water; he has been tempted with liberal offers for this herd on several occasions, but has refused up to the last to part with them.

J. A. Daniels is consigning the best females his herd contains, and no herd can boast of any richer blood lines than he has contributed to make this one of the best sales of the present year.

It must be conceded that it is the strains of blood that we have herein catalogued that have produced the largest percentage of the noted prize winners in the National shows for the last decade; namely, the Cumberland's Last, Whitehall Sultan, Choice Goods, and Villager strains. We have been very critical in the selection of our herd bulls, as to their individual merit never neglecting their ancestral backing; which has given us very satisfactory results in our progress as producers of Shorthorns of merit. We will submit to your appraisal in this sale, one of the best, if not the best, breeding Cumberland bred bulls in America today, Cumberland Dictator 361987.

Most of the females will have calves at foot or well along in calf to Cumberland Dictator of Village Glory 431072, one of the choicest producing descendants of the noted breeding bull Imp. Villager 295884.

E. E. OWENS.

J. A. DANIELS.
